QUICK SUMMARY What better way to enjoy the most important meal of the day than with a beautiful vista? Here are six scenic spots to start your morning right.

HURRICANE ALLEY, Montauk Yacht Club, 32 Star Island Rd., Montauk, 631-668-3100

The view: You don't have to be a hotel guest to kick off your day at this indoor-outdoor spot with a Florida Keys vibe and a view of Lake Montauk's sparkling marina.

The breakfast: Indulge yourself with a lobster omelet with asparagus, fontina and tomatoes or do the sensible thing and have a bowl of whole-grain oatmeal with some fruit on the side. The sausage (sage pork or turkey) is house-made, the juice freshly squeezed.

TIM'S SHIPWRECK DINER, 46 Main St., Northport, 631-754-1797

The view: Eat at a wrought-iron table in the charming tree-shaded courtyard behind this vintage diner and enjoy the sight (and sound) of a trickling fountain.

The food: Everyone gets house-made cornbread or coffeecake and jam to start. Creative omelets, very good waffles and pancakes (whole grain or regular) and lush, creamy oatmeal are some of the attractions at this Northport classic. Two staples from the specials board are "Marion's homemade blintzes" and the breakfast quiche of the day.
