On Sunday evening, Hamptons Magazine hosted their annual clambake at the Montauk Yacht Club. Guests, including [Star Jones](#), [Beth Ostrosky Stern](#), [Cindy Barshop](#), [Dina Lohan](#), [Samantha Yanks](#), [Jason Binn](#) and [Katie Lee](#), enjoyed lobster, clams and cocktails as they were serenaded by the tunes of singer/songwriter Matt White. As the sun went down, DJ Chris Bachman provided the beats and guests rocked out under the stars, and things got pretty interesting...
