**ABOUT GULF COAST KITCHEN:** Guests are transported to a “southern coastal manor” with the warm ambiance of a living room-styled lounge that opens onto a floor-to-ceiling windowed dining room with inspiring water views. Decorated with wicker couches, potted plants, historic images of the Montauk Yacht Club and antique treasures, this is the **Gulf Coast Kitchen**. Creating a new sense of tradition in the nostalgic location is Executive Chef Michael Domitrovich’s comfort food menu. Influenced by classic Cajun, Cuban, Mexican and soul food cuisines, dishes are lovingly prepared with the finest local ingredients to combine the best of what Montauk has to offer with a southern coastal twist. The **Gulf Coast Kitchen** dining concept extends to *Hurricane Alley* for breakfast, lunch and dinner; and *Barracuda Bar & Turtle Lounge* for nighttime menus. The integrated dining concept, established in the 80<sup>th</sup> year of the Montauk Yacht Club Resort & Marina ([www.montaukyachtclub.com](http://www.montaukyachtclub.com)), marks the property’s classically cool, simply chic originality.
