Montauk Yacht Club Wedding by E. Leigh Photography

We owe Erin of E. Leigh Photography a big huge THANK YOU for sending us this little number. It is about as perfect as you can get. An intimate beach side reception at Montauk Yacht Club full of breath-taking water views, a cake by Kathy Burton that is almost too cute to eat and loads of other fabulous details that only a gorgeous East Coast wedding can offer up. So kick up your heels and stay awhile because there is even more of this pretty day in the gallery!
