

A destination wedding... with breathtaking destinations

We offer an array of romantic settings for your picture-perfect ceremony, cocktail hour, reception, rehearsal dinner, brunch...

farmhouse ballroom

Painstakingly refurbished to its original grandeur, our ballroom accommodates 140+ guests. With a magnificent fireplace, antique wood-beamed ceilings and windowed doors leading to a terrace overlooking the water, this setting epitomizes the understated elegant feeling of the classic East End.

barracuda bar patio

With the sweeping views of the navy blue sea, dotted with crisp white yachts and with our historic Lighthouse overhead, this sophisticated dockside setting can accommodate up to 200 guests.

great lawn

Indulge in a magnificent five-star tented celebration along our sprawling Great Lawn overlooking our Marina. With plenty of room for up to 1000 of your closest friends and family under an impressive Great Tent, your wedding celebration can be as lavish or laid-back as you wish.

villa courtyard

If it's an exclusive garden setting you prefer, let the former private compound of Florence Ziegfeld surround you and your guests for an intimate gathering of 50 or up to a grand affair of 1000.

island beach

For those seeking a more intimate gathering of up to 100 guests, you can exchange your vows barefoot on the beach. With a breathtaking backdrop of sea, sun and yachts on the horizon, elegantly arranged white chairs along our private, golden-sand beach meet a center aisle runner leading to a beautiful backdrop against which the bride and groom say their "I do's."

island beach after hours

For those who never want the party to end, Island Beach is also incredible spot for a late-night after-party bonfire or marshmallow roast under the stars! It's just down the steps from the Farmhouse Ballroom.

pool patio

Perhaps barefoot on a beach is not quite your style...If so, take advantage of the vibrant coastal colors of Montauk that meet together in a picture-perfect setting beside our glistening pool. With a backdrop of our majestic Lighthouse Tower and expansive water views, this location offers smaller parties an elegant seaside option...with shoes!
